**Venue:** Byron Bay Surf Club  
**Transport:** Bus

**Needs:** Folder/clipboard, paper, pencils, eraser  
**Cost:** $25.00 (transport, venue hire)

In Week 6, Term 1 Year 10 will participate in a field study for Geography. The field study is a mandatory part of their Australian Geography, Civic & Citizenship course so it is expected that all students attend. The field trip is directly associated with an upcoming assessment task for Geography.

The Geography field studies will be based in Byron Bay, where students will investigate the issues surrounding coastal management of the area. Fieldwork is an essential part of the study of Geography. It is a means to understanding geographical environments and helps students to develop the essential skills required by the Geography syllabus.

Students are to bring their own recess, lunch and drinks for the excursion. All students must also bring a folder or clipboard with paper, pencils and an eraser.

Please sign and return the permission slip, with payment, to the College Office by Tuesday, 3rd March, 2015. Please contact me at the College if you have any concerns.

Yours sincerely,

Mr M. Wills  
Leader of Geography
Please return permission slip, with payment, to the College Office by Tuesday, 3rd March, 2015.
