Dear Parent/Guardian,

Permission to Drive to Wollongbar or Lismore TAFE

Senior students that undertake EVET courses will be required to attend these courses at Wollongbar or Lismore TAFE from either 9:00am-5:00pm or 1:00pm-5:00pm each Wednesday.

Licensed Year 12 students that have access to a vehicle will be permitted to drive to the TAFE Wollongbar or Lismore Campus.

Considering that there is public transport available, students need to realise that permission to drive is a privilege that should not be taken lightly. Students who abuse this privilege can have it revoked at any time and be required to attend TAFE using existing public transport arrangements.

Students granted this privilege are not permitted to transport any other students.

Finally, we ask parents/guardians to discuss these issues before signing the permission slip.

If you have any questions regarding driving to TAFE, please contact Mrs Karina Lampe at the College.

Please return this form to the College Office by Monday, 11th February, 2019.

Yours sincerely,

Mrs K. Lampe
VET Coordinator
